Pune, Maharashtra • +91 8605884361 • vivekm1350@gmail.com

Dedicated Frontend Developer with 1+ years of hands-on experience in designing, developing, and maintaining responsive websites and web applications. Proficient in HTML, CSS, JavaScript, and React. Passionate about delivering exceptional user experiences through clean, efficient, and responsive code.

PROFESSIONAL EXPERIENCE

Clofio, Pune

Associate Software Engineer

October 2023 - Present

- Implemented new features for the application, focusing on user experience and adhering to best practices in frontend development.
- Integrated and customized third-party libraries, including Nivo Charts for advanced data visualization, React Flow for interactive workflows, and RRule for scheduling functionalities, enhancing application capabilities and user engagement.
- Revamped legacy code, improving structure, readability, and performance, ensuring alignment with modern development standards and enhancing overall maintainability.
- Efficiently identified and resolved critical front-end bugs and performance bottlenecks, enhancing user experience and website speed.

Clofio, Pune

Software Engineer Intern

August 2023 - September 2023

- Designed and implemented user interface components using React.
- Followed best practices for code organization and modularity, including the use of component libraries and state management solutions.
- Participated in code refactoring and optimization initiatives to improve the overall performance and maintainability of the codebase.

TECHNICAL SKILLS

- **Front-end:** HTML, CSS, JavaScript, React, Material UI, Nivo Charts, Redux, Webpack, React Flow
- **Back-end:** Node.js, Express.js, and RESTful API Design
- **Tools:** Postman, Git

COURSES / CERTIFICATIONS

- Meta Front-End Developer Professional Certificate
- FreeCodeCamp's Front End Development Libraries Certification
